- Choose a **Training method** (self E-learning recommended)

The screenshot shows the FEICA website header with navigation links: About FEICA, Our industry, Our priorities, Our projects, Membership, and Infor. The main content area features the title "Training Platform for mandatory training on safe use of diisocyanates" and a sub-section "PU Training Platform". The text states that as of 24 August 2023, training is required for all professional and industrial users of polyurethane adhesives and sealant products with a total monomeric diisocyanate concentration of > 0.1%. It also mentions that the PU Training Platform is available in 6 languages and can be accessed at www.safeusediisocyanates.eu. The currently available languages are English, German, French, Spanish, Italian, and Dutch. The remaining EU languages will be added on a rolling-basis until the end of 2022.

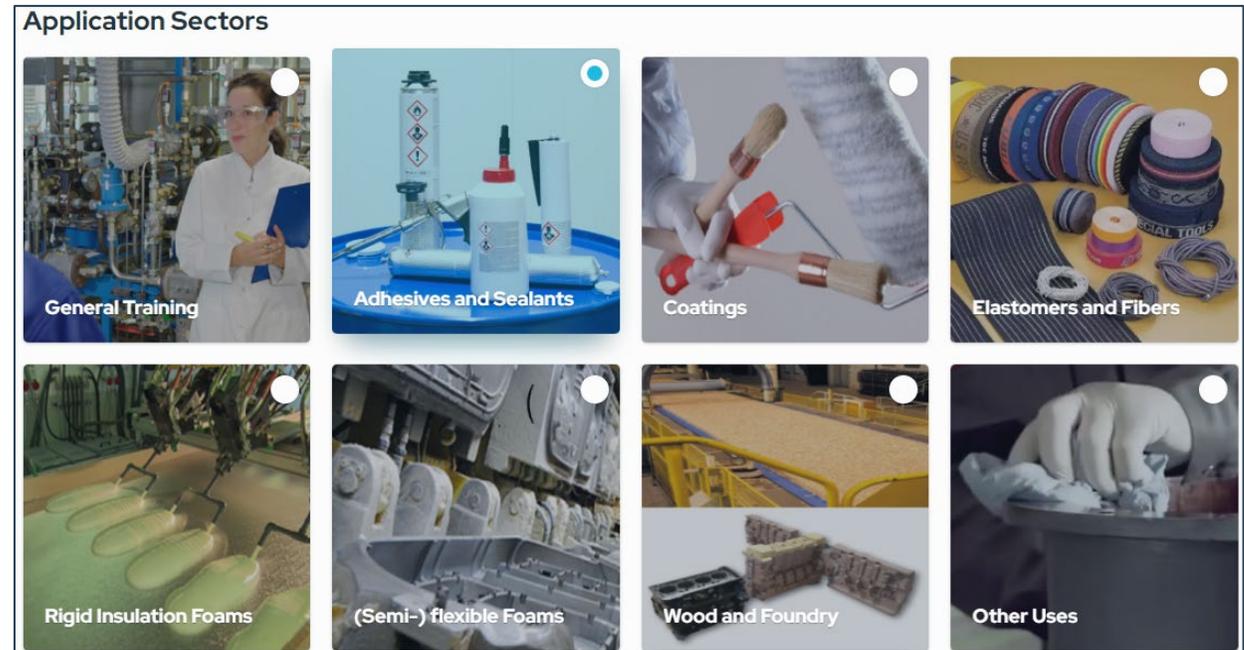

The screenshot shows the safeusediisocyanates.eu website. The navigation bar includes: Homepage, Self E-Learning, Virtual / Classroom Training, Trainer Registration, REACH Legislation, and News. Below the navigation bar is a "Q&A" section. The main content area features a large image of construction workers in safety gear. Below the image are two buttons: "Self E-Learning" and "Virtual Training or Classroom Training".

- Select “**book a Self E-learning**”

The screenshot shows the 'Self E-Learning' page. At the top, there is a navigation bar with links for 'Homepage', 'Self E-Learning', 'Virtual / Classroom Training', 'Trainer Registration', 'REACH Legislation', 'News', and 'Q&A'. A language dropdown menu is set to 'English (United Kingdom)'. The main heading is 'Self E-Learning'. Below it, there is a 'Book a Self E-Learning' link. A paragraph explains that a Web Based Training is a self-learning course available at any time for 5€ per training, including a certificate. It mentions a selection page for trainings with a link 'Book a Web based Training'. There are two more links: 'Register multiple Persons for Self E-Learning' and 'Buy Vouchers for your Employees or Customers'. A final paragraph states that vouchers can be used to support customers or give employees access to trainings, with a link 'Order Vouchers'.

- Set a filter on **Adhesives and Sealants**

The screenshot shows a grid of application sectors. The 'Adhesives and Sealants' sector is selected, indicated by a blue circle in the top right corner of its image. The other sectors are: 'General Training', 'Coatings', 'Elastomers and Fibers', 'Rigid Insulation Foams', '(Semi-) flexible Foams', 'Wood and Foundry', and 'Other Uses'.

- Scroll down to select the available training **048** and click on **Register**
